

ENSF 692: Lab 9

Programming Fundamentals for Data Engineers

June 04, 2024

Sarah Shah

Exercises Today

- ▶ Demo of data importing/exporting with Pandas
- ▶ Upcoming Deliverables
- ▶ Assignment Reminders
- ▶ Open work/question time and Assignment grade review with TA

Demo of Data Exporting with Pandas

- ▶ Download the Lab 9 code from D2L
- ▶ Follow along with the Pandas data demo
- ▶ Try manipulating the dataset and see what happens to the exported file

Upcoming Deliverables

- ▶ Assignment 4 will be available tomorrow
- ▶ Quiz #2 on June 17th
 - ▶ In-class quiz
 - ▶ All material after the first quiz (along with corresponding labs) are included in the quiz
 - ▶ Varied question formats (multiple choice, matching, short answer, coding, etc.)
 - ▶ Practice questions during the lab prior to the quiz

Assignment Reminders

- ▶ **Assignment 3 due tonight at 11:59 pm**
 - ▶ Don't forget to submit your HTTPS link via D2L!
 - ▶ Make sure all changes have been committed via git
 - ▶ Use the discussion board to post/view questions and answers
 - ▶ Alternatively, email the instructor directly
